## Performing Arts Department Policies

### Writing Assignments

- Any written assignment not turned in during the designated class will be lowered one letter grade for each day it is late.
- All assignments need to be typed, double spaced, 12 point font, 1 inch margins. Student name, date, instructor name, course title and assignment topic as heading.
- **E-mailed attached papers will not be accepted.**

### General

Please:

- do not bring food or beverages other than water into the dance studio
- do not bring cell phones into the dance studio
- do not enter the dance studio with street shoes on
- do not wear scented, "fruity" lotions to class; these lotions contain oils that stain the marley floor and cause slick surfaces.

### Attendance

More than 2 unexcused absences during the course of the semester will adversely affect your grade. After 2 absences the grade will drop by one grade per absence. This class is an "experience", not a lecture or lab, and the work missed cannot be made up. If a student is more than 5 minutes late to class, without prior notification, it is recorded as a 1/3 absence, therefore 3 "lates" result in one absence. More than four absences or non-physical class participation (for any reason) you must withdraw or fail. If you are anticipating an extended absence due to illness or injury, contact the faculty immediately. If illness or injury does prevent you from participating in class on a given day and you are physically able, you are strongly encouraged to observe class. You are allowed no more than four consecutive class observations after which you must withdraw or fail.

Policies/Procedures- The following have been taken from the Student Customs Book:

### Honor Philosophy

The Cedar Crest College Honor Philosophy states that students should uphold community standards for academic and social behavior in order to preserve a learning environment dedicated to personal and academic excellence. Upholding community standards is a matter of personal integrity and honor. Individuals who accept the honor of membership in the Cedar Crest College community of scholars pledge to accept responsibility for their actions in all academic and social situations and for the effect their actions may have on other members of the College community.

### Academic Integrity

Academic Integrity and ethics remain steadfast, withstanding technological change. Cedar Crest College academic standards therefore apply to all academic work, including, but not limited to, handwritten or computer-generated documents, video or audio recordings, and telecommunications.

As a student at Cedar Crest College, each student shall:

- Only submit work which is his/her own
- Adhere to the rules of acknowledging outside sources, as defined by the instructor, never plagiarizing or misinterpreting intellectual property
- Neither seek nor receive aid from another student, converse with one another when inappropriate, nor use materials not authorized by the instructor.
- Follow the instructions of the professor in any academic situation or environment including taking of examinations, lab procedures, the preparation of papers, properly and respectfully using College facilities and resources, including library and computing resources to ensure that these resources may be effectively shared by all members of the College community.
- Abide by the Cedar Crest Computer Use Policy
- If a student perceives a violation of the Academic Standards, he/she will go to the instructor
- If you are unable to resolve the problem with the instructor, you should go to the chair of the department. If you need further assistance after consultation with the instructor and the chair, you should see the Provost.

### Classroom Protocol:

Appropriate classroom behavior is defined and guided by complete protection for the rights of all students and faculty to a courteous, respectful classroom environment. That environment is free from distractions such as late arrivals, early departures, inappropriate conversations and any other behaviors that might disrupt instruction and/or compromise students' access to the Cedar Crest College education.

I fully support the Cedar crest Honor Code and Classroom Protocol Code.
